CONFERENCES & EVENTS

With top-flight facilities, superb catering and gracious service, the Robert Treat Hotel is the perfect venue for weddings. Reminiscent of a bygone era, when ballrooms boasted lavish settings of crystal chandeliers and romantic candle light dinners, the newly remodeled Crystal room offers a dramatic change from the impersonal atmosphere of most ballrooms.

A banquet and catering staff is available to help guests plan every detail of their event, and to oversee the actual event. We pride ourselves on our proven ability to create just the setting that guests desire for

their wedding. Our entire staff from bellmen to banquet manager, is trained to serve each guest attentively, politely and efficiently.

Our full-service kitchen offers a wide variety of food and beverage options to meet any event's special needs. Our staff will assist individuals in making selections that are certain to please their guests. They will also assist with arrangements for those who prefer to enlist their own caterer.
